

GIANT FLAIL MOWERS

The new generation GIANT flail mowers for mowing the pasture, the roadside and even your lawn! Small branches are no obstacle. The high rotation speed of the flail as well as the quality of the flail blades enable the mowers to provide excellent quality in terms of cutting and mulching.

| Artikel No. | Cutting Width | Implementation | Own weight | Number of flail blades | Dimensions |
|--------------|---------------|------------------|------------|------------------------|-----------------|
| 6134346P-000 | 1200 mm | Front attachment | 190 kg | 80 | 1400x800x640 mm |
| 6134347P-000 | 1200 mm | Side attachment | 190 kg | 80 | 1400x800x640 mm |
| 6134357P-000 | 1400 mm | Front attachment | 200 kg | 88 | 1600x800x640 mm |
| 6134367P-000 | 1600 mm | Front attachment | 210 kg | 100 | 1800x800x640 mm |
